

## Librix 5.0 – UpdateLibrix23-08-2012-0522

Este documento descreve passo a passo como instalar o Patch "UpdateLibrix23-08-2012-0522.sh" em uma máquina com a imagem padrão 490000003265.

1- Copie o arquivo "UpdateLibrix23-08-2012-0522.sh" para a sua pasta "Home" (/home/<nome\_usuario>), em seguida abra o konsole (tecle as teclas Alt+F2 e digite konsole).

2- Digite no konsole o seguinte comando "sudo sh ./ UpdateLibrix23-08-2012-0522.sh" conforme figura abaixo:

The image shows a terminal window with a menu bar at the top containing 'Arquivo', 'Editar', 'Exibir', 'Favoritos', 'Configurações', and 'Ajuda'. The window title is '~ : bash'. The terminal content shows the following commands and output:

```
testel@testel ~ $ ls
Desktop  Figuras  Sons     UpdateLibrix23-08-2012-0522.sh  Videos
testel@testel ~ $ sudo sh ./UpdateLibrix23-08-2012-0522.sh
```

The terminal area is mostly black, indicating that the script's output is not visible in the screenshot. The status bar at the bottom of the window shows '~ : bash'.

3- Digite em seguida a sua senha para continuar:

A terminal window titled "/home/testel : sudo" with a menu bar containing "Arquivo", "Editar", "Exibir", "Favoritos", "Configurações", and "Ajuda". The terminal shows the following commands and output:

```
testel@testel ~ $ ls
Desktop  Figuras  Sons  UpdateLibrix23-08-2012-0522.sh  Videos
testel@testel ~ $ sudo sh ./UpdateLibrix23-08-2012-0522.sh
```

We trust you have received the usual lecture from the local System Administrator. It usually boils down to these three things:

- #1) Respect the privacy of others.
- #2) Think before you type.
- #3) With great power comes great responsibility.

Senha: █

#### 4- Aguarde a finalização da atualização:

```
/home/testel : sudo
Arquivo  Editar  Exibir  Favoritos  Configurações  Ajuda
testel@testel ~ $ ls
Desktop  Figuras  Sons  UpdateLibrix23-08-2012-0522.sh  Videos
testel@testel ~ $ sudo sh ./UpdateLibrix23-08-2012-0522.sh

We trust you have received the usual lecture from the local System
Administrator. It usually boils down to these three things:

    #1) Respect the privacy of others.
    #2) Think before you type.
    #3) With great power comes great responsibility.

Senha:

Instalador auto-executavel

./files.tar
./installer
Update Librix 1.00-23-08-12-jrrf
Rodando Instalador ....
Extraindo Arquivos ....
Extracao dos arquivos executada com sucesso.
Instalando pacote usb_modeswitch ....
[]
```

## 5- Finalização da atualização do Librix. Reinicialize a máquina para concluir.

```
/home/testel : sudo
Arquivo  Editar  Exibir  Favoritos  Configurações  Ajuda
* 3.4.0-gentoo
* Checking for suitable kernel configuration options...
[ ok ]
